

Kid's Ministry Position at SLLC

Venturing downstairs to occasionally help lead the opening of Sunday School for the Kid's Ministry Program has been a tremendous joy. Whether it is a new child entering the space for the first time or a returning friend, one can feel the welcome, energy and fun flowing from the basement as soon as you turn from the last stair. St. Luke has been tremendously blessed with incredible leadership, creating a lively, vibrant, kid-centric ministry, sowing seeds of faith that blossom for years to come.

As many of you know, Stefanie, who has been our Kid's Ministry Coordinator for the last ~10 years is transitioning to the new Family Promise Coordinator position beginning in April. She is willing (thankfully) to hold down her current roles through Vacation Bible School (end of June) while also taking on the Family Promise Coordinator position (10 hours per week). In the fall she will focus on the new Family Promise position (15 hours per week) while continuing to run our social medias and monthly family ministry events (additional 5 hours per week).

What all of this also means is: We are hiring! The next Kid's Ministry Coordinator will get to build on a strong and vibrant foundation. We are looking for someone with a heart for kids who will continue to foster an environment where children feel a sense of belonging to church and have exciting opportunities to engage with faith, friends and fun.

The job posting for the 20-hour a week Kids Ministry position along with further details about this role is on our website under the "Job Opening" tab on the top of the homepage. Please keep the hiring process in prayer and send this information to someone who you think would be a great fit!

As we enter into this next chapter, we are extremely excited for the new venture and partnership with Family Promise and how that will shape St. Luke ministry. We are also incredibly grateful for the many ways Stefanie has blessed St. Luke, children and families over the years. As we listen and look for who the new Kid's Ministry Coordinator will be, we pray that God would nudge the right person in our direction to continue fostering faith for our youngest demographic.

Filled with hope during this Easter and Spring season,

Pr. Taran

SEMINARY STUDENT SUPPORT FUND

Thanks to those of you who continue to support the Seminary Student Support Fund. Currently, we are supporting St. Luke member Brendan Wiechert during his seminary studies. He has completed over half of his studies through Luther Seminary and greatly appreciates the prayer and financial support he receives from St. Luke. Our Church Council also voted to contribute funds toward the annual drive for the Seminary Support Fund at Luther Seminary, thereby lending a hand to other seminarians in their journey to become Lutheran pastors.

As God continues to call faithful servants from St. Luke into ministry, He has also gifted St. Luke with caring and supportive members such that we can extend a helping hand to our seminarians. Thank you again for your generosity!

Attention all backyard farmers! Do you ever end up with more corn, zucchini, beans, apples, pears, etc. at harvest time than you are able to consume, preserve or give away to your friends and neighbors? The Environmental Stewardship Group is planning to have a "Share the Bounty" table at church on Sunday mornings during the upcoming summer/harvest season where you can share and/or exchange fruit and vegetables from your garden with other families in the congregation. What is not picked up at the end of a Sunday will be taken to local food banks in the following week. We will announce the starting date and additional details as we get closer to summer.

The first church campus cleanup day of 2024 will be on **Saturday, May 11th** starting at **9 AM**. The New Testament in Its World by N.T. Wright and Michael Bird continues this spring. It is a 37-part video series covering the New Testament and its place in the world of the First Century. Each class consists of a 20–30-minute video, group discussion, and time for prayer. There is a book available to accompany the videos, although it is very helpful, it is not necessary to participate. The only expectation is that you would read the pertinent part of the New Testament before class and come with your questions, insights, and comments. All are welcome.
